Your child's two year developmental review

TERRIFIC TWOS!

Soon your local health visiting team will be contacting you to invite you and your child for his/her important two year developmental review at your nearest child clinic, health centre, Surestart centre or Early Years centre.

The aim of the review is to assess this important stage of your child's health and development, as part of the 'Healthy Child Programme'. It is an opportunity for you to see how your child is developing, and to enable you to ask questions. We can also offer support for any concerns you may have.

Your child's general health and development will be assessed using the ages and stages questionnaire. Derbyshire Healthcare will ensure that all data collected is managed under the Data Protection Act 1998. If you require any further information please ask your health professional.

We look forward to seeing you soon!

(Please remember to bring your red book with you).
